

Quick guide to Single Sign-On (SSO)

Open the activation link

You have received an email with an activation link.

1. Open the email from Millum on your device
2. Tap the activation link in the email
3. The app opens automatically

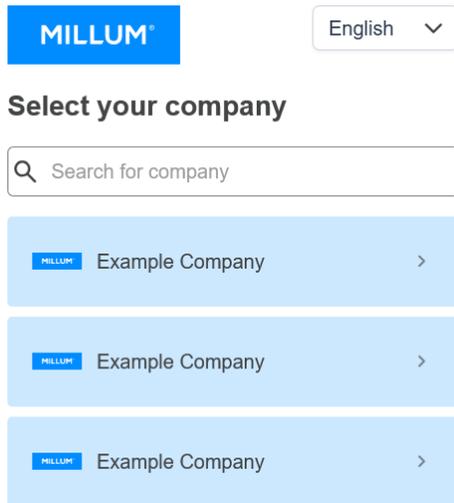

Set up Single Sign-On

To use the app, you need to link your Millum account to your work account (Microsoft or Google).

1. Tap "Sign in with SSO"
2. You will be redirected to your company's sign-in page
3. Sign in with your work account
4. The app automatically links the accounts
